Skills

Python Development

Agile Coach, CI/CD, DevOps

Cloud Technologies

Startups & Leadership

About Me

Python expert, Agile coach, and CTO for startups. I work in and with development teams, both on-site and remote. My success factor is modern, cloud-based, platform-agnostic software development. Implemented in a stable and secure, efficient and sustainable manner.

Education

Applied mathematics, Dipl.-Ing.

1994 - 2003

Graz University of Technology, AT

Computer science, ERASMUS

1999 / 2000

Aston University, Birmingham, UK
